RISKS TO INVESTORS

- Business segment based risk:** We predominantly undertake fee and commission based activities, in our business segments namely, Business Correspondents ("BC"), Assisted E-services and E-governance. Further, a substantial portion of the revenue is generated by BC business operated by our subsidiaries, ZMPL and Starfin for our banking partners. Our BC business contributed 66.05%, 61.02%, 22.23% and 27.84% of our total revenue from operations for the six months period ended September 30, 2023, and the financial years ended March 31, 2023, March 31, 2022 and March 31, 2021, respectively. Hence, deterioration in the performance of our Subsidiaries may adversely affect our business operations.
- Dependence on a single customer:** We are dependent on, and derive a substantial portion of our revenue from, a single customer, one of the largest PSU Bank. In the six months period ended September 30, 2023 and in Fiscal 2023, Fiscal 2022 and Fiscal 2021, our largest customer accounted for 59.75%, 59.47%, 14.89% and 27.27% respectively, of our revenue from operations. Cancellation of the agreement with our top customer could have a material adverse effect on our business, results of operations and financial condition.
- Projects awarded to our Corporate Promoter:** None of the e-governance projects are awarded to our Company directly. All of our contracts with respect to E-Governance projects are awarded to our Corporate Promoter, BLS International Services Limited by governmental agencies for providing G2C services to the citizens and to BLS Kendras, our subsidiary for providing E-Governance. As of September 30, 2023, 28.34% of our revenue generated from the contracts.
- Limited Operating History:** As a result of our limited operating history, we may not be able to compete successfully, and it may be difficult to evaluate our business and future operating results on the basis of our past performance.
- Dependence on merchants and information technology:** We significantly depend on our merchants and information technology ("IT") for our product and service distributions. Changes in our relationships with merchants, or adverse conditions, could impair their respective operations and therefore their ability to meet their obligations under our agreements. Any failure, disruption or weakness in our IT system, or breach of data, confidential information or data of our clients, customers and users of our services that may be misappropriated by our merchants or employees, cause us to breach our contractual obligations. This could adversely affect our operations and reputation.
- Utilization of Net Proceeds:** We are yet to place orders aggregating to approximately 55.72% of our Net Proceeds at upper price band for our technology infrastructure and capital expenditure equipment. A substantial portion of the Net Proceeds is intended to be utilized for this purpose.
- State Concentration Risk:** We provide E-Governance Services only in the states of Punjab, Uttar Pradesh and West Bengal, and accordingly any adverse changes in the conditions affecting these regions can adversely affect our business, financial condition and results of operations.
- Termination of master service agreement:** In the past Punjab State e-Governance Society has terminated master service agreement with our Company.
- Intellectual Property Rights:** We presently do not own trademark or logo under which we currently operate and if third parties, including our current or future competitors are able to circumvent our protection measures which are put in place for the protection of trademark, logo and intellectual property and other proprietary rights, our business and reputation would be adversely affected.
- Delay in payment of statutory dues:** There have been instances of delay in filing of GST returns of the Company. We may be subject to regulatory actions and penalties for any such delays and our business, financial condition and reputation may be adversely affected.
- Past Non-Compliances:** Our Company and our subsidiary, i.e. Zero Mass Private Limited have filed compounding applications before the Regional Director, Northern Region, Delhi and Regional Director, Western Region, Maharashtra, respectively for compounding and adjudication of certain past non-compliances.
